Mechanics Liens: Liens on Condominiums - An Overview

Serving owners with an Arizona mechanics lien. Recent changes to California's mechanics lien laws mandated that lien claimants serve the property owner with a copy of the mechanics lien simultaneously with the filing, actually requiring an affidavit of service to be included with the lien filing. There is no similar requirement in Arizona.

When Must An Arizona Mechanics Lien Be Served On The Owner?

A mechanic's lien is a document that can be publicly filed by a person or entity that improves real property, when they believe that they were not fully compensated. Usually, contractors, subcontractors or material suppliers will file liens; although architects and engineers can file them as well, in certain situations.
