Gender Violence in Poverty Contexts: The educational challenge 1st Edition. Jenny Parkes May 10, 2016. This book is concerned with understanding the complex ways in which gender violence and poverty impact on young people's lives, and the potential for education to challenge violence.

Education, Poverty and International Development

Evidence suggests that many of the effects of poverty on children are influenced by families' behavior. Low-income families often have limited education, reducing their ability to provide a responsive stimulating environment for their children. 30 They tend to limit their children's linguistic environment by using language that is dominated by commands and simple structure, rather than by ...
