Coming of Age during the Holocaust, Coming of Age Now is an interactive curriculum based around twelve stories of young people who survived the Holocaust and one woman who grew up in the Mandate of Palestine during the same period. The stories are pitched at middle-school students and their educators,

The Education story is about a protagonist's shift in worldview from meaninglessness to meaning. A sympathetic protagonist faces a threat of some sort to their view of life, and emerges into a new and better kind of wholeness at the end. Their story arc is an attitude change in which the familiar takes on new meaning.
