Cops Across Borders The Internationalization

Cops Across Borders opens up a new field of inquiry and must be read by anyone concerned with U.S. foreign policy and criminal justice." —Gary T. Marx, University of Colorado "Nadelmann's outstanding book illuminates with impressive detail a dimension of security policy about which we know far too little, the international activities of national police forces.

Cops Across Borders: The Internationalization of U.S. ...

Cops Across Borders demonstrates conclusively that the interpenetration of U.S. foreign policy and criminal justice institutions and concerns has become too substantial to be igred by scholars any longer. It thereby breaks new ground in the study of both international relations and criminal justice.

Cops Across Borders: The Internationalization of U.S. Criminal Law Enforcement ("Cops Across Borders") is the first book to attempt a systematic analysis of the role that the United States has played in the field of international law enforcement. For that reason alone, the book is an important achievement, representing a ma-

Fordham International Law Journal - Semantic Scholar

The basic problem with Cops Across Borders is that the general theme of international law enforcement is not strong enough to hold together the different chapters to form a cohesive whole. Each chapter is a self-contained study of a particular facet of law enforcement, and the reader is left with the feeling that Mr. Nadelmann has forced the parts together to form a single text.
