David Paulides Missing 411

David Paulides is a former police detective who is now an investigator and writer known primarily for his self-published books, one dedicated to proving the reality of Bigfoot, and his Missing 411 series of books, in which he documents the disappearance of people in national parks and elsewhere.

David Paulides - Wikipedia

He devoted six years to investigating missing people in rural areas. The result? The identification of 52 geographical clusters of missing people in North America. These clusters formed the basis for four Missing 411 books that have garnered widespread acclaim and multiple 5 star ratings on Amazon.com.

The Books — Missing 411: The Movie

On March 1, 2012 David released "Missing 411-Western U.S.", the story of people who have disappeared in the wilds of North America. Many of the parents and relatives of the missing make claims that the victim was kidnapped/abducted, in very remote areas, this is well documented.

On March 1, 2012 David released "Missing 411-Western U.S.", the story of people who have disappeared in the wilds of North America. Many of the parents and relatives of the missing make claims that the victim was kidnapped/abducted, in very remote areas, this is well documented.

David Paulides - amazon.com

In his investigations, "Missing 411" author and former lawman David Paulides sees cases where people just do things that make no sense. Clear paths to survival are inexplicably ignored. Paulides discusses a Nevada incident with investigative reporter George Knapp, and reveals an unsettling exchange with Alaskan authorities.

A Nevada disappearance ... what experts say about 'Missing ...

The case caught the attention of David Paulides, author of The Missing 411 books, who was intrigued because the location of the vanishing was at a place called "Devil's Head," which has long had a place in Native folklore as a haunted place inhabited by evil spirits, and which also strangely enough had other strange disappearances that had happened in the vicinity.

CanAm Missing Project

Missing 411 Investigations by David Paulides Missing people in the USA or across the world are an unfortunate but regular occurrence. In fact, with as many as 90,000 people declared legally missing in America at any given time, it is hard to ignore the issue. However, stories of Missing 411 victims do not take place only in rural areas.

Missing 411: Unexplained Disappearances in the Wilderness

Missing-411 is the first comprehensive book about people who have disappeared in the wilds of North America. It's understood that people routinely get lost, some want to disappear but this story is about the unusual. Nobody has ever studied the archives for similarities, traits and geographical clusters of missing people, until now.

Missing 411: Western United States and Canada by David ...

As for the bigfoot books, if you have read them, then you'll know he was paid to do that research by a couple Silicon Valley execs. Paulides has distanced himself from the Bigfoot world over the last few years to focus on the Missing 411 phenomenon.
