Dell Hymes And The Ethnography

Dell Hymes' formative role in the ethnography of communication, ethnopoetics and educational ethnography alone merit him biographic attention. In addition, though, tracing out Dell Hymes'

(PDF) Dell Hymes and the Ethnography of Communication

Dell Hathaway Hymes was a linguist, sociolinguist, anthropologist, and folklorist who established disciplinary foundations for the comparative, ethnographic study of language use. His research focused upon the languages of the Pacific Northwest. He was one of the first to call the fourth subfield of anthropology "linguistic anthropology" instead of "anthropological linguistics". The terminological shift draws attention to the field's grounding in anthropology rather than in what, by that time, h

Dell Hymes - Wikipedia

Dell Hymes has revisited, enlarged and re-contextualized some of his leading essays, written over the last two decades, into a volume which addresses the contribution that ethnography and linguistics make to education, and the contribution that research in educational makes to anthropology and linguistics.
