learning ?

## **Design for how people learn - LinkedIn SlideShare**

Traditional instructional design approaches focus heavily on content—getting it complete and accurate. Then making presentations as clear as possible. Then making assessments precise. Concerns about the learning experience, making it meaningful, memorable, and motivational, may not even enter into the discussion.

## **Design for How People Learn**

According to the cognitive research covered in How People Learn, environments that best promote learning have four interdependent aspects—they focus on learners, well-organized knowledge, ongoing assessment for understanding, and community support and challenge. 1.
