5 Signs Your Dreams Are Coming True 1.

People say things you want to hear. When good things are happening to you, the people you encounter often go out of their way to offer you help, advice, or put things in motion to help your dreams come true. You will feel like the people who you talk to must know your secret dream, the way they hint at it.

however, only applies to outcomes that can be at least partially controlled by a person who knew of the dream. However, some dreams come true without any intervention or “post-dream” action that could have been controlled by the dreamer or anyone who knew the content of the dream. Evidence points to the idea that dreams can also be a
