Ferney James Long

James Long obviously has a vast knowledge (or did plenty of research) of the history of the area where Ferney is set and tries to put it all into the book. While interesting at first, sometimes these historical revelations and retelling jarred and slowed the pace of the story down.

Ferney by James Long - Goodreads

Surely, James Long's novel of reincarnation, "Ferney" most refreshingly elevates the crossover science fiction/fiction genre to a near perfect state that will attract both men and women readers desiring an intelligent interplay of history and romance without the mawkish candlelit fantasy realm of the bodice ripper.

Read Book Ferney James Long

Ferney: Long, James: 9780553108446: Amazon.com: Books

James Long's "Ferney" constitutes an intelligent read that supersedes most other reincarnation-themed works of fiction. Long fashions his three main characters realistically while presenting a straightforward believable storyline buttressed by historic and village folklore anecdotes that lend credibility to the fantasy genre as true literature.

Ferney, By James Long ... First published in 1998, James Long's enduringly popular love story was such a word-of-mouth success that copies were exchanged on Amazon for £85.

Ferney, By James Long | The Independent | The Independent

James Long was a BBC TV news correspondent until the end of the 1980s. After two years starting and running an international TV station out of Zurich, he returned to England to concentrate on writing, which had always been his first love. He wrote four thrillers, then went back to a story he had begun many years earlier and which grew into Ferney.
