International Truck Diesel Engines Dt

The International Harvester Company (IHC) has been building its own proprietary truck engines since the introduction of their first truck in 1907. International tended to use proprietary diesel engines. In the 1970s, IHC built the DVT 573 V-8 diesel of 240 and 260 hp (179 and 194 kW) but these were not highly regarded and relatively few were sold. Their DT 466 engine started in 1974 and was very successful.

List of International Harvester/Navistar engines - Wikipedia

The International DT466 engine is a 7.6-liter truck engine used in school buses, farm equipment, dump trucks and construction equipment. It also is utilized in the International CXT, a pickup truck built on the International 20-ton hauler platform. Over one million DT466 engines have been produced.

What You Should Know About International Diesel Engines. International, or Navistar International Corporation, is one of the best-known manufacturers of rugged diesel engines that power commercial trucks, commercial buses, school buses, and motor homes. International also manufactures, assembles, and sells a complete line of medium-duty, over-the-road, and severe-service trucks. eBay is the place where you'll find the International engines youre looking for at a price you can afford.

Diesel Complete Engines for International for Sale - eBay

The Navistar DT engine family is a line of mid-range inline-6 diesel engines. With horsepower ratings ranging from 170 hp to 350 hp, the Navistar DT engines are used primarily in medium-duty truck and bus applications such as school buses, although some versions have been developed for heavy-duty regional-haul and severe-service applications. Prior to 1986, Navistar International, then known as International Harvester Company, used the DT engine in farm and construction equipment.

Navistar DT engine - Wikipedia

With the new fuel system, the International DT 466 engine now provides 210-300 horsepower and 520-860 foot-pounds of torque; the DT 570 engine provides 285-330 horsepower and 800-950 foot-pounds of torque, and the HT 570 engine provides 295-340 horsepower and 950-1,150 foot pounds of torque.
