Managerial courage is having the courage to depend on others Big things are achieved thanks to teamwork, and no one can claim to be able to do it alone. Hence, it takes courage to depend on others, capitalize on their strengths, and help them grow. All you need to do is find out which employees to invest in and ensure good succession planning!

How to Have Managerial Courage - AtmanCo

The word courage originates from the Latin word Cor, which means the heart. My experience has shown that Courageous Conversations are at the heart of any high performing safety culture. Courageous conversations can occur in a whole variety of settings that include the workplace, during interactions with team members, peers, leaders or customers.
