The Renault Premium is a heavy-duty truck that was produced by the French Manufacturer Renault Véhicules Industriels and later Renault Trucks (also part of Renault, now Volvo) from 1996 to 2013. It was sold alongside the Renault Magnum as a slightly lower positioned alternative.

Renault Premium - Wikipedia

Characteristic for the premium series is the six-cylinder engine, which is optionally available with 9.8 or 11.1 liters displacement and offers a power range of 240 to 460 hp. The premium is known for its two variants of the drivers cabs, which are available in short or long form; the long cabin can be chosen as a high roof.
