Student Guidance System Thesis.

Submitted by admin on Thursday, July 2, 2009 - 18:57. The purpose of this program is to record the complaints and or problem of a student in guidance office. This will keep track the past record of a certain students by using this program. To eliminate a paper work, retrieve the record easily, and create a report. I created this program last February 2004 to help the students in making their thesis.
