Charlemagne is an oddity in the early medieval world. He's odd not because of the things he did or how he acted. He's odd because it is possible to construct an entire course around him. It is possible to do this because of the immense level of documentation we have about him and his time as king and emperor.

The Medieval World

The Medieval World offers you a different perspective on the society and culture of the Middle Ages: one that goes beyond a simple historical survey and entrenches you in the daily human experience of living during this underappreciated era.
