music genre. Here you will find breaking news, the popular web radio channel New Age Stars, the New Age Music Chart and New Age Music PUSH! – a New Age music PR service focusing on European radio channels. On 18 May 2018 we celebrated 10 years online.

New Age Music Guide | #newagemusic

This book was published in 1989 at the crest of the "New Age" movement in music; of course, within a few years after this, sales of New Age Music dropped (significantly, at about the time that most "New Age" labels started getting more into "smooth jazz" and lost the original "spiritual/inspirational" focus of the music), so this book now inevitably seems more like "nostalgia" than "cutting edge."

New Releases in New Age - amazon.com

New-age music is a genre of music intended to create artistic inspiration, relaxation, and optimism. It is used by listeners for yoga, massage, meditation, reading as a method of stress management to bring about a state of ecstasy rather than trance, or to create a peaceful atmosphere in their home or other environments, and is associated with environmentalism and New Age spirituality.
